English can be fun ...

History — Class of 1968

Our first year at Barnstable High was one of confusion and hard work. We were introduced to all kinds of new courses and had an exciting time losing our way in the seemingly endless corridors. We joined the humble ranks of varsity sports, attended all sorts of club meetings, sang in the chorus and learned about student government. Mr. Buck directed our novice endeavors and his student leaders were President William Meagher, Vice President Chris DiChara, Secretary Carol Sunderman and Treasurer Thomas Mazzei. Our Student Council representatives were Anne Robinson and Connie Souza. Perhaps our most exciting moments were spent in the preparation of THE social event, the fun-filled Freshman Dance.

We came back to the hallowed halls of celebration in the fall of 1965, a bit older and a lot smarter. We elected James Sager President; Carol Sunderman Vice President; Robin Zimmerman Secretary and Thomas Mazzei, second time around Treasurer. Sophomore seats on the Student Council were occupied by Janet Melody, Anne Robinson, Robert West and Peter Curtis. The treasured invitations of the sophomore year were those sent to prospective Code Club members. Elected to this all-girl service group were Pamela Crocker, Carol Sunderman, June Warburton, Connie Souza, Valerie Stefens, Carol Hendrick and Jocelyn Penn. They were a sight to behold during that week of initiation! Not to be outdone by Rotary of Hyannis, the Kiwanis Club again sponsored the Key Club. Sophomores elected to this club were William Liimatainen, Philip Sullivan, John McConnell, Philip Nelson, Stephen Simmons, Bruce Macallister, Edward Bennett and Thomas Mazzei.

Our money conscious class held a car wash and sold book covers, neither of any lasting value, because those cars are dirty again and the book covers are long gone! But the item having more lasting significance was our incomparable Sophomore Dance. We still couldn't waltz very well, but we sure had fun doing the Frug, the Twist and the Monkey! Those we could dance! We were getting to be bigger spokes on the wheel of sports, too. At least we weren't the greenest players!

In the fall of 1966, we welcomed Mr. Paul Prescott, our new principal, who replaced our friend and guide, Mr. Briah Connor. This was the year of the new "Spirit of B.H.S.", which was instilled in the student body through those terrific football rallies. Remember ... those big football men playing cheerleaders ... the school paper confetti that flew through the air ... that grand Falmouth football team of girls? We had a lot of sore limbs after we played in the Powder Puff football game which ended in a tie score. Oh, well, can't win them all!

Our Junior Year activities were competently led by Dennis Elliott, President; Debbie Williams, Vice President; June Warburton, Secretary and Cheryl Freeman, Treasurer. Elected to Code Club were Diane Brown, Linda Beattie, Debbie Williams, Sharon Crosby and Robin Zimmerman. New Key Clubbers were Ronald Dumont, Albert Bourgeois, William Dacey and Nelson Belanger. Classmates who assisted in student government, as Student Council members, were Anne Robinson, Janet Melody, Robert West, Kent Hudson, Dorothy Brito and Curtis Evans. Bob West was elected Vice President.

This was the year for the great golfer, Kent Hudson. He was the Cape Cod Schoolboy Golf Champion. This honor gave him a chance to play in the state matches, which he lost, but not without distinction.

Some played ... some worked! Academic honors were bestowed on those who worked with books. At a very impressive ceremony the following were invested with the robes of the National Honor Society; Anne Marie Turner, Robert West, Kent Hudson, Janet Melody, Constance Souza, Dale Hall, Catherine Wright, Carol Sunderman, Anne Robinson, Karen Bednark, Jocelyn Penn, Robin Ireland and Teresa Baldi.

Another academic success was registered when students took the National Merit Scholarship Tests. Letters of commendation were awarded to Jocelyn Penn, Dale Hall, Anne Robinson, Daniel Emerald, Robert West, Catherine Wright, Anne Marie Turner and David Siddall. The frosting on the cake of achievement, however, was supplied by Paula Finley, who was named a Merit Scholarship Finalist. Congratulations, Paula!

Connie Souza went to Girl's State and William Liimatainen and William Denninger were Boy's State representatives. Perhaps the classmates who had the most stimulating experiences were Philip Sullivan and David Siddall, who went to Argentina for their junior year and Philip Nelson, who traveled to Australia. We understand he visited Fiona Hudson, who had spent a year at B.H.S.

We got our class rings this same year and many of the boys promptly lost them . . . that is, they lost them to their girl friends. Oh, well, boys, they're cheaper than diamonds! Debbie Williams really hit the sales trail as top salesman of our candy project. Remember those big, brown paper bags?

The Junior Prom was our greatest social achievement. Cheryl Freeman and Anne Robinson, co-chairmen, directed all of us in the joyful months of preparation. Can you ever forget . . . the fountain . . . bright streamers . . . pillars . . . "Roman Holiday!"? Cindy Haynes reigned as Queen of the court ladies, Karen Bednark, Robin Zimmerman, Dorothy Brito and Kathryn Thifault.

At the last junior year assembly, Gordon Bryden received the Harvard Book Award, Anne Robinson received the Bausch and Lomb Award and Kent Hudson received the Rensselaer Polytechnic Institute Award.

And now we started the long and short senior year . . . long on boy's hair and short on girl's skirts! Seriously, however, we were now bona fide SENIORS. We set up a winning slate of officers: President Craig Farrenkopf; Vice President Debbie Williams; Secretary Linda Davis and Treasurer Cheryl Freeman. Dominating Code Club activities were Pamela Crocker as President and Valerie Stefens as Vice President. There were active senior boys in Key Club. William Liimatainen was President, Ron Dumont was Secretary and Edward "Santa" Bennett was treasurer. Dennis Elliott and William Denninger were new members of Key Club.

Thanks to Pamela Crocker, Editor-in-Chief and Robert Gersh, Assistant Editor, you have this memento, the Barnacle. On Friday mornings homerooms were relatively quiet at B.H.S. Why? Everyone was reading the "Insight", that's why! Miss Owen and Mr. Gooding, our English friend, added this new dimension to student communication.

All kinds of excitement and innovations originated from our Student Council in our senior year. Seniors responsible for the new look at B.H.S. were: President Anne Robinson; Vice President Kent Hudson; Secretary Janet Melody and members Charles Bloom, Carol Williams, Dorothy Brito, Robert West and Jane Farrell.

Ron Dumont directed our magazine sales and Kathryn Thifault became the "whiz-kid" of the senior salesmen. At the football dance, Cheryl Freeman was Queen and June Warburton and Dorothy Brito were Princesses.

The most poignant episode of our last year was "Operation Kindness". The Student Council, Code Club and Key Club hosted children from the Jamaica Plain Settlement House. Pam Brooks helped with the elf outfits and who can forget the star, Santa Claus Bennett!

"Winter By Starlight", our Senior Prom, had competition from other activities, but it was an exciting night, nevertheless. June Warburton "rode herd" on the seniors for this prom and a good leader she was. Diane Brown was a lovely Queen as she reigned over her court of Debbie Williams, Connie Souza, Kathryn Thifault and Linda Davis.

And those play rehearsals! The musical "West Side Story" was hard work, but none of us will ever forget that moment when the curtain went up. All of us were sorry to see that same curtain go down at the end, because it meant the end of fun and friends and achievement.

And let's not forget our senior year honors department. Carol Sunderman was our D.A.R. Good Citizen, William Liimatainen was our Hinkle Sportsman, Paula Finley was our "Betty Crocker", David Siddall was our American Legion orator, Robert West was our Student Government Day star, Jocelyn Penn and Daniel Emerald were Telfad participants and most exciting and spectacular of all, Robin Zimmerman became Miss Massachusetts in the 1968 Junior Miss Pageant. You can bet we were watching the "telly" the night she appeared in Mobile, Alabama.

All through these four years of activity, one man has been at our side, listening to our problems, directing our energy and steering our activities. We name Mr. Chester Buck, the Man of the Class of 1968. We say "Thank you, Mr. Buck, for your patience with us and understanding of us."

It surely has been four years of new dreams and aspirations, self-discovery and challenge. We have striven, we have grown, we have changed. Now, on the threshold of new worlds, it is time to break the strings, to step out, to be caught up in the turbulent mainstream of a life which beckons us, intrigues us, challenges us. Yet we go with confidence, knowing that here we have been prepared and well educated. We have discovered ourselves—perhaps even rediscovered our true selves—explored life's hows and whys . . . we have seen but a glimpse of what is yet to come. Although each of us now will pursue our own dreams and goals, we will carry with us the indelible memories of work and play, of warm friendships, of discovery and of success which we have lived and experienced together.

Diploma Is Awarded After 18-Year Delay

OSTERVILLE — Eighteen years ago Charles E. Bumpus entered the U.S. Air Force before he could complete the necessary work for credits required for a diploma from Barnstable High School.

that a transcript of my high school records be sent to American River College in Sacramento, Calif., so that I may petition for my associate degree in fire science."

This week the Barnstable School Committee received this letter from Bumpus, the son of Mr. and Mrs. Albert G. Bumpus, of Osterville:

Charles E. Bumpus, Air Force veteran, cowhand, firefighter, will receive his diploma 18 years later, listed as a graduate with the B.H.S. Class of 1968.

"I would appreciate at this time to request my high school diploma. I have been informed I must show proof of completing my agricultural school year. As the school records may show, I enlisted in the U.S. Air Force in June of 1949. And upon being sent to Texas for my training, I had an occasion to receive additional agricultural training on the Bourge Ranch in Waureka, Okla., which is just across the border from Wichita Falls, Texas. While working weekends on the Bourge Ranch as a cowhand, I spent many a back-breaking and happy hour for my 10-month stay in Texas.

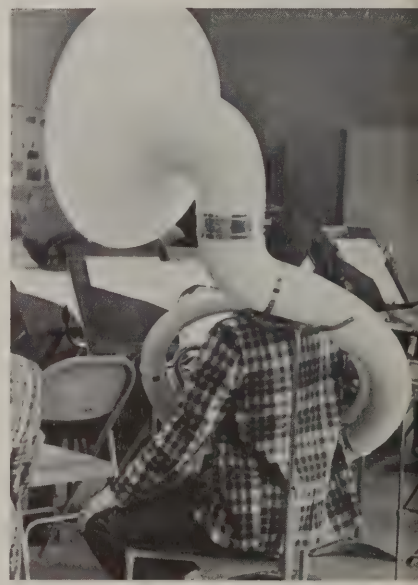

"I further request at this time

MR. CRESSY ... Council Advisor

Student Council

With its major purpose to serve as a liaison between the students, faculty and administration, the Student Council is one of Barnstable High School's most active organizations. The twenty members, representing the entire student body, discuss and submit to the administration, suggestions for improvement of various facets of school life. They also work jointly with the Code Club and Key Club to sponsor an annual Christmas party for underprivileged children. A yearly scholarship earned by the council in various fund-raising projects, is awarded to a worthy senior. This year the council prepared a school handbook and revised its constitution. The prestige of the council is becoming increasingly important as its members strive to promote cooperation and understanding between students and administration.

National Honor Society

The National Honor Society has four main principles for which they strive; scholarship, character, leadership and service. Each member of the society is carefully chosen after consideration is given to his fulfillment of these qualities. For the first time at B.H.S., the National Honor Society became an active organization and participated in the Cape Bowl, which is similar to the television series of College Bowl.

Masquers

The Dramatic Society adopted a new name this year, the "Masquers", and with it a new organization. For the first time the club adopted a formalized structure and this was clearly reflected in the increase in stage activities. The class play competition, the silent film classics and numerous individual productions laid the cornerstone on which lively theater life was built.

Field Hockey

Under the superb coaching of Miss Katherine Nehubian, the field hockey team completed a victorious season with an excellent record of eight wins and two losses. The only opponent able to outscore our strong team was Dartmouth. LaVern Hurtt, the team's high scorer, was unanimously elected captain. A great season is anticipated for the coming year, as relatively few of the varsity players graduate in June.

1967 SOCCER SEASON

Soccer

Under the watchful eyes of Head Coach Gooding and Ass't. Coach Patkoske, a soccer team was molded. It was capable of giving any team on the Cape a fight 'til the final horn. Tom Mazzei, elected captain for the season, led the Red Raiders through many tight games. Conditioning, position and passing were Coach Gooding's strong points throughout the year. The biggest thrill to Barnstable's soccer team came when the Raiders defeated Dennis-Yarmouth (8 years Cape Cod School Boy Soccer Champions) 1 to 0 at D-Y's home field. Senior Tom Mazzei and Junior Howie Monroe represented the Raiders in the All Cape All Star Soccer Team. They played a determining role in defeating Dean Junior College, 3 to 2. Mr. Gooding was All Star Coach.

Cross Country

Cross country is a grueling team sport. It is a race, two and one half miles in length, over a varied and rough terrain. Since a team's first five finishers compose their squad's score, the lowest total is victorious. This means a "top" point-total is fifteen.

The Red Raider "Harriers", led by Captain and star Don Hedderig, are a young, up and coming unit. Their coach, Mr. Richard Norman, has many years of experience and really "knows the ropes". This is our second year of Capeway Conference competition, and already great success has come our way. Paul Lavallee, Don Hedderig, Arthur Georgantes, Steve Cornforth and Dave Siddall were this year's nucleus. Adding depth were Curt Evans, Mike McCord and Reggie MacDowell. This varsity combo won two meets; placed fourth in the Capeway Conference and brought home several medals and trophies in statewide competition. As a team, we placed ninth out of 27 schools in the Invitational.

Vocational High School

Four years of growth, maturing and educational progress have brought us to the brink of reality. We will now go into life equipped, not only to make a good living in a valuable endeavor, but to become worthwhile individuals in our communities, our nation and the world. But now, we remember some of the steps that brought us to where we are.

Freshman year can only be characterized as hectic, wild, full of doubts, ... new. We arrived in accompaniment with several new teachers, including Mr. Robert Nelson, Mr. Edward Mara, and Mr. Arnold Burch. Mr. Burch became our class advisor, and Walter Springer was our representative to the high school freshman class. Many of us spent the typical hours in search of such non-existent equipment, as left-handed monkey wrenches, board stretchers, and skyhooks for which the gentlemanly seniors sent us. We also had the fine freshman introduction to Mr. Edgar Allan Poe, our first literary nemesis.

Sophomore year became a bit more eventful. We took part in some picketing, out of which we learned a few valuable lessons. Mr. Charles Allia and Mr. Charles Tolley were the two new faculty members that year. Mr. Allia is still with us ... enough said about that. That was also the year Mike Kennedy did his now-famous death-defying leap from the horticulture truck. It was also the era of the bomb scare kick, which was fun for awhile, but, oh, those terrible make-up Saturdays.

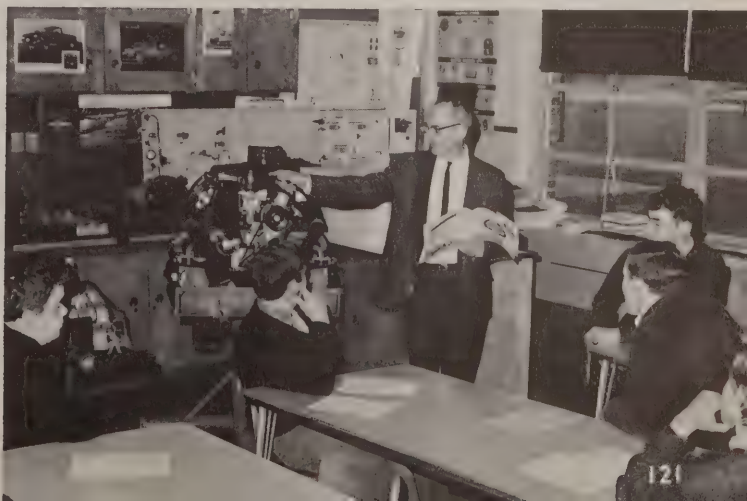

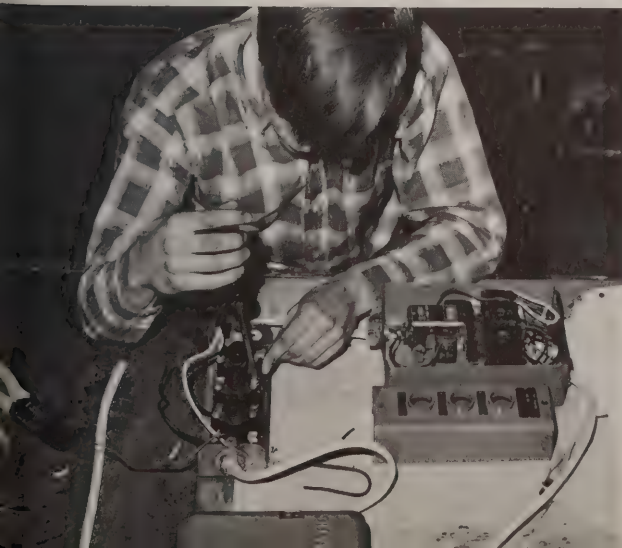

Our junior year, starting in September of 1966, was a busy year. With Mr. Burch still our class advisor ... Heaven knows how he took us so long ... we took part in the sale of that famous, delicious (?) candy. Funny how it took much longer to get the money in, than it took to sell the candy. The horticulture students have fond memories of an F.F.A. convention at Amherst, and that gorgeous motel they stayed in. And all of us remember well the project of decorating for the wonderful Junior Prom. Who knows which was more fun ... the prom or the preparation???

Class of 1968 History

Our school faculty was enlarged by four that year, and four more colorful persons there couldn't have been. One was Mr. Camille Houde, who took all carpentry newcomers and taught them things they never knew could be done. Mr. George Warren took newcomers and oldtimers both and taught them a few things too, but of a different nature, such as how to be gentlemen. And Mr. Henry McGonigle brought his Irish humor, and his polished thermos of hot coffee. Mr. Hugh White brought his great sense of patience and gained in exchange a painful shoulder injury.

And finally, that glorious period called the senior year arrived. The big new thrill was the co-operative work program, from which many of us have reaped great benefits, under the watchful eyes of Mr. Wrightington, Program Coordinator. A few of us sold a very few magazines, probably very weary from sales, sales, sales. We met Mr. William Westcott, new marine mechanics instructor, and our own Dr. Einstein, Mr. Kenneth Evans. Now all four years are gone, and we are left with memories. Some of them are good, some are bad, but all have a place in our minds. The open house programs, the basement meetings, the long and weary trips to school for some, the parade to lunch, the friendly gym classes, Trade Council activities, friends, rules, and ... growing up.

Gets around in the "Psychedelic Frog" ... Chatham! Chatham! ... A perfect endman for a minstrel show ... Boats and boat building in the future

BRUCE EDWARD MARSTON

"Those who dream by day are cognizant of many things which escape those who dream only by night"

Interested in things electrical ... A little shy, glasses, and on the "mod" side ... Can be found during spare time in Barnstable village or at Signor Pizza in Hyannis ... Needs incentive ... Where are those vitamin pills? ... Jobs at Stop and Shop and with an electrical contractor

DANIEL HERBERT METELL

"They are never alone that are accompanied with noble thoughts"

From Martha's Vineyard cometh ... A carpenter is to be ... Varsity basketball, cross country, chorus and orchestra has partaken ... "Moe" ... Jobs, music, sports, and Cathy take the hours ... Graduation and wedding bells, do we hear?

Martha's Vineyard: Basketball 1, 2; Track 1, 2; Chorus 1, 2; Orchestra 1, 2

DONALD BRICE McARTHUR, JR.

"Wit is the flower of the imagination."

Sawdust and hamburgers ... Hyannis lad, operating Angelo's grille ... Boat building avocation ... Snappy dresser ... Charming smile ... Combed hair ... Sparkling eyes ... Anything funny? ... Has car ... Will travel with Uncle Sam's Navy! Girls, beware!

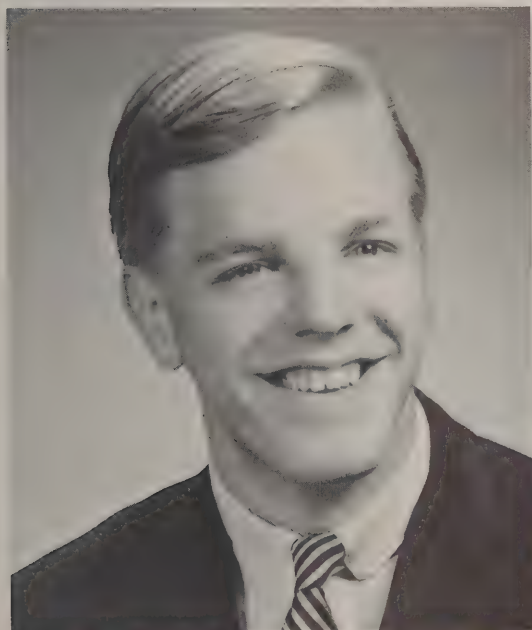

JOSEPH VICTOR MONTEIRO

"What wisdom can you find that is greater than kindness."

To Hyannis is a native ... Far afield, can be found in Mashpee ... "You know I don't know", is often said ... "Penelope" gets him around ... A master plumber is to be ... Serious, polite, and gentlemanly he ... Job with plumbing company ... Good, and good luck, it is read!

Trade Council 3

ROBERT OSCAR SARKINEN

"He who is determined has half his work done."

Through Barnstable schools has been led ... Centerville is his village ... Well mannered, tall and blond, nicely attired, industrious, quiet, sense of humor, these apply ... In landscaping and horticulture, he is adept ... Hopes for future in these fields ... Guns and cars, hunting and loafing are an interest ... A good worker ... Oyster Harbors has his efforts.

F.F.A. 3; Trade Council 3

JAMES DAVID SEARS

"He who toils with pain will eat with pleasure."

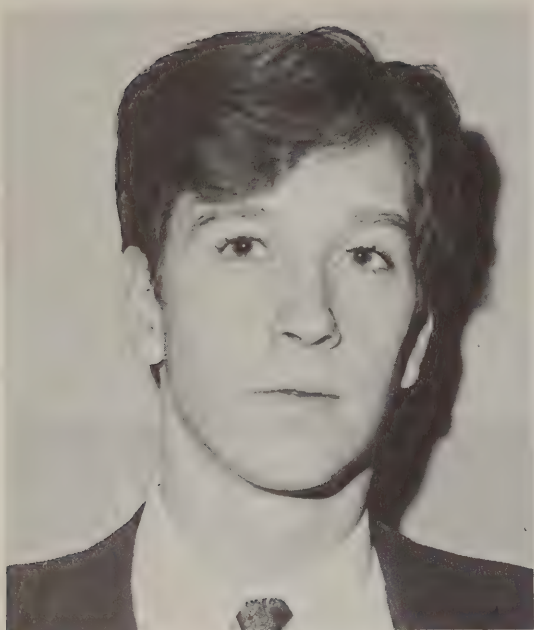

Dennis-Yarmouth to Barnstable Voke was the shift ... The carpenter shop is his interest ... A good worker, above all ... Drag races, cars, and girls enthrall ... Working and bowling are his pleasure ... And as a builder, much the measure.

WALTER FRANCIS SPRINGER

"We know nothing of tomorrow; our business is to be good and happy today."

Electricity is the training ... From Bronx, New York to Barnstable Junior High was in the making ... Hopes for initiative are in the taking ... "Holy Smoke!" ... "The White Elephant" carries him over the ground ... Airplane making and reading, hobbies are ... Singer Sewing and Child's Electric are his work ... Enlist in U.S. Air Force is his star.

KARL ALLAN SULKALA

"To strive, to seek, to find, and not to yield"

Hard-headed ... Finnish, West Barnstable ... Not necessary to be rough, tough to prove a point ... Great potential which should be used to advantage ... Adept automobile mechanic ... Does the future see a skilled driver of those monstrous trailer trucks? ... Fire siren sounds, there's our boy! ... Fire engine, and auto wrecker ... "Right!"

TIMOTHY WRIGHT STEWART

"If work interferes with pleasure, cut out the work"

A gay blade from Hyannis ... Automobiles ... Automobiles ... Can usually be found putting a transmission in his car, "The Golden Goose" ... Detention ... Talk ... Talk ... Where is discretion? ... "Well, get on" ... Humor, enthusiasm for things appealing ... Good and not so good, depending on influences and friends ... Much fun and likable

ROBERT WERNER THACKSTON

"A leader is best when people barely know that he exists"

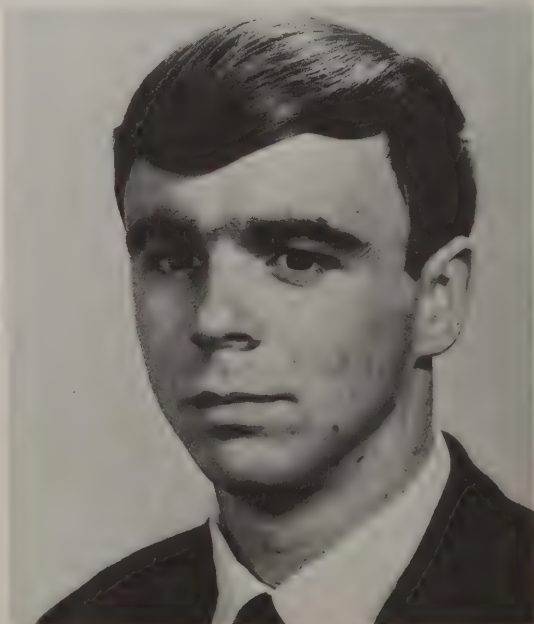

Falmouth is home base ... Was our "Insight" in many ways ... Forestry and conservation are the trade ... College and future study are being planned ... Trade Council for three years ... Fishing and hunting, hobbies are ... Has anyone seen Kathy?

Trade Council 2, 3, 4

KENNETH DONALD SVENSSON

"A good heart is better than all the heads in the world"

Blond and Swedish ... Quiet, well mannered, and polite ... Indications are for a fine mechanic ... Has been working at Granite Chevrolet ... Has an interest in Barnstable village ... Hard working ... Much promise for the future ... Never forgot Harvard getting locked in the oil closet!

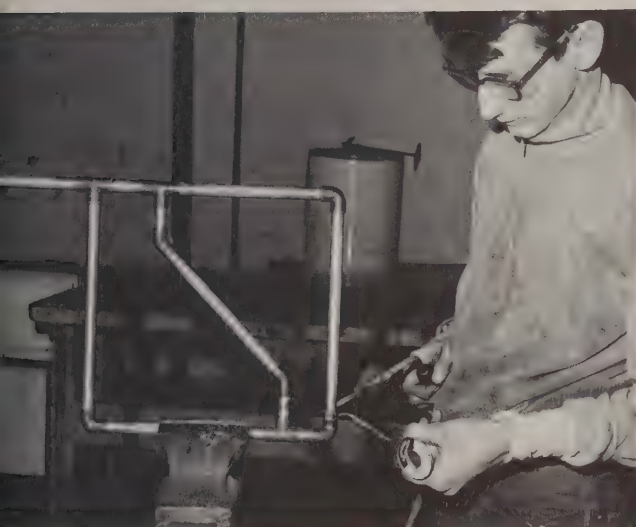

They'll grow this tall? ...

I got a helmet ... you got a spear ... let's go fishin' ...

You sort of solder it ...

Rub ... a ... dub ... dub ... gotta sand this tub ...

Does 230 V really mean Varoo.o.M?

A hobby pin, you say? ...

All in a Voke Day ...
